

## EQUALITY AND DIVERSITY POLICY

### 1. Policy

**VIBE CONCEPTS** is committed to encouraging diversity and reducing discrimination, and accepts the spirit and intention of the various legislation, regulations and codes of practice which separately and collectively outlaw certain kinds of discrimination in selection, recruitment, induction, programme delivery and assessment.

**VIBE CONCEPTS** aims to ensure that learners are truly representative of all sections of society and that every learner feels respected and able to give their best.

**VIBE CONCEPTS** undertakes to ensure equality of treatment for all and aims to:

- a. ensure no learner is discriminated against or receives less favourable treatment because of a protected characteristic
- b. ensure awareness is raised around issues of diversity, and
- c. acknowledge any issues of discrimination, harassment or victimisation that are brought to the attention of management ensuring they are investigated and rectified promptly and sensitively using an appropriate procedure

### 2. Definitions

For the purposes of this policy **VIBE CONCEPTS** has adopted the following definitions:

- a. Diversity means recognising, valuing and taking account of people's different backgrounds, knowledge, skills and experiences, and encouraging and using those differences to make the way we work and learn more creative, efficient and innovative
- b. Direct discrimination is treating a person less favourably than others due to a protected characteristic
- c. Indirect discrimination is the applying of a requirement or condition, which, although applied equally to everyone, is such that a considerably smaller proportion of a particular group can comply with it and it cannot be justified
- d. Harassment is the violation of a learner's dignity, or, the creation of an intimidating, hostile, degrading, humiliating or offensive environment relating to a protected characteristic
- e. Victimisation arises where someone is treated badly because they have made a complaint or helped someone else make a complaint by giving evidence

**VIBE CONCEPTS** will take steps to address identified inequalities or barriers that may arise and challenge discrimination in respect to the following protected characteristics:

- Age
- Disability
- Gender reassignment
- Race
- Religion or belief

- Sex
- Sexual orientation
- Pregnancy
- Marriage/Civil partnership

### 3. Roles & Responsibilities

It is the responsibility of every individual to eliminate discrimination and to ensure the practical application of this policy.

#### Reasonable Adjustments

There is a duty to make reasonable adjustments which can apply to all of the protected characteristics. There are three requirements in relation to reasonable adjustments that **VIBE CONCEPTS** is required to follow:

- Take reasonable steps to avoid a substantial disadvantage to, for example, a disabled person (in comparison to someone who is not disabled) **arising from a provision, criteria or practice**
- Take reasonable steps to avoid a substantial disadvantage to, for example, a disabled person (in comparison to someone who is not disabled) **arising from a physical feature**

- iii. Provide an auxiliary aid to avoid a substantial disadvantage to, for example, a disabled person (in comparison to someone who is not disabled).

## **Learners**

Need to ensure that they accept personal responsibility for the application of **VIBE CONCEPTS** diversity policy. They are also responsible for bringing to the attention of the teaching staff any examples of discrimination of which they become aware.

## **College Staff**

Need to ensure that good practice in the area of equality of opportunity is applied within their area of control; and that all their learners are aware of VIBE CONCEPTS policy in this area.

## **4. Procedure**

- a. Learners who are aware of discrimination of any kind, or consider that they are being discriminated against, should in the first instance consider whether it may be appropriate to raise the issue informally with the alleged discriminator, who may not be aware that their behaviour is causing offence
- b. Where it is not appropriate for an approach to be made to the alleged discriminator, or the learner is unwilling to do this, they should consider to whom they should highlight their issue. In most cases it is envisaged this would be their tutor/assessor. Where their tutor/assessor is implicated in their concerns, they should approach their tutor/assessor's line manager or the Internal Quality Assurer
- c. The manager with whom the matter is raised should either investigate the concerns raised or refer the matter, wherever possible with the agreement of the employee concerned, to a more appropriate manager. Whenever allegations of discrimination are made the manager must inform their HR Department
- d. Once the matter has been investigated the learner who has alleged discrimination should be informed of the action taken and, where appropriate, the outcome. It may not be appropriate to give details of any disciplinary sanctions applied
- e. Where learners are not happy about the action taken they should appeal, within seven working days, to the Quality Manager of **VIBE CONCEPTS**, who should appoint an appropriate senior manager to review their concerns.
